December is "3D" Prevention Month

December is National Drunk and Drugged Driving Prevention Month. Two people are killed nearly every hour due to impaired driving and young adults are at the highest risk. Those who intend to drink alcohol need to plan on how they will be getting from one place to another.

The Stuttgart Army Substance Abuse Program offers Drunk and Drugged Driving prevention training. To arrange this training or obtain training materials call Jeffrey Whitesell at 431-2743/civ. 07031-15-743.
